Int. Filing Date: 23 July 2004

Priority Date: 30 July 2003

Attorney Docket No.: 050203-0140

For: EXHAUST GAS PURIFICATION APPARATUS  
OF ENGINE

COMMUNICATION

This communication is in response to applicant's letter filed 22 January 2007 in the United States Patent and Trademark Office (USPTO) regarding the issuance of a corrected filing receipt.

Applicant is advised that a review of the application file finds that the request for corrected filing receipt filed on 18 September 2006 was erroneously filed in the present application. As such, the changes to the title and inventor name will be reverted back to the original's as detailed in applicant's present filing.

This application is being returned to the United States Designated/Elected Office for consideration of applicant's 30 October 2006 "Response to Notification of Missing Requirements Under 35 U.S.C. 371 in The United States Designated/Elected Office" and if appropriate, the preparation and mailing of a "Notification of Acceptance" (Form PCT/DO/EO/903).
